This document details the Product Software Release (SR) for the product ADROIT6000 Windows Application.

**2 REFERENCES**

The following documents and are referenced by this SR document:

Ref	Number	Revision	Description
[1]	DK0506	A	Software Issue (DK)

**Table 1 - Reference Documents**

**3 ABBREVIATIONS**

DCoP	Design Code of Practice
DK	Software Item
ERP	Enterprise Resource Planning Software
OSS	Open Source Software
RTM	Release to Manufacturing
SAP	Systems Applications and Products ERP and data management system
SR	Software Release (document)

## 4 SOFTWARE RELEASE

### 4.1 Supporting Documents and Software Items (DK)

The following table lists all the supporting documents and DK(s) which relate to this software release. The 'changed' column is to indicate which items have changed since the last release.

Refer to a specific item's (Non-Public) DK0506 document for:

- Full detailed technical change record and history of changes
- Location of change control repository, including auditable check-in/tags.

SAP		DK Software Version	Item Changed In this Release	Document Type	Description
Document Name	Revision Level				
DK0506	A	V01.01.00	Yes	Software	DK0506 for the ADROIT6000 Windows App
152M4814	A	N/A	Yes	Document	DK0506 Test Results

Table 2 - Supporting Documents & Software Items (DK)

### 4.2 Release Package

This name of the corresponding formal Product Software Release Package is:  
ADROIT6000-WINDOWS\_RELEASE\_152M4812\_REV\_A.zip

This package contains a copy of this document and folder structures which contains all the DK Product Software folders and files required for this specific revision of SR.

#### 4.2.1 Release Package - Data Verification

This files and folders in this release package have been verified against the DK Version numbers and the formal data release repository using the embedded Verify.bat script.

-- EXECUTIVE STATEMENT (Data Verification) --	
Reviewing Engineer	Swapnil Patwa
Date of Verify	19 <sup>th</sup> April 2021
Results of the Data Verify	Pass
Exception(s)
